We now take contactless payments on 12 of our machines (6 washers and 12 dryers) using the **pay points** by the **front door of the laundrette**.

## Washers:

Please load machine, and put detergent in washing machine in the normal manner, please close machine door. Using the left-hand side paypoint please select from **1-6** the number of your machine. Please then follow instructions. Remember to hold your card or phone close to the device for **5 seconds**. Your machine will then start in the normal manner. If you are using multiple machines each transaction will be individually processed.

## Dryers:

Please load machine and select temperature. Using the right-hand side paypoint please select from **7-12** the number of your machine. For dryers the contactless payment is in £2.00 increments. If you wanted to put £4.00 on a particular dryer, you would need to do two separate transactions of £2.00. On the black and white dryers, after paying via the paypoint, please press the green start button on the dryer.
